

THE FORCE HELMET

PRODUCT STORY

HAVE YOU GUYS BEEN CAUGHT BY THE RAIN?

YES, SIR!

ESPECIALLY WHEN YOU RIDE A BICYCLE?

OF COURSE, SIR!

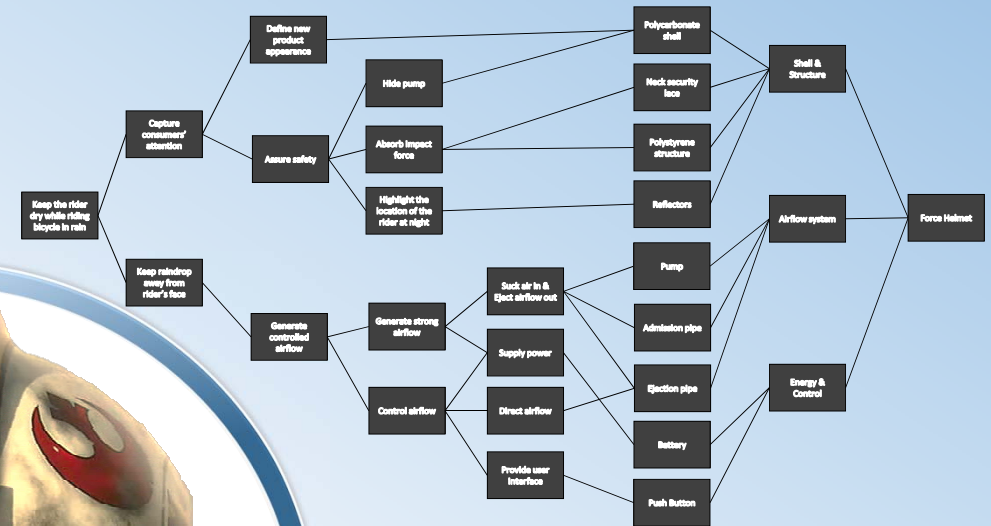

IT IS TIME TO SHOW YOU GUYS THE NEW
HELMET IN THE GALAXY!

REALLY? THE HELMET WHICH WE
NEED IS LIGHT, COOL AND
WATERPROOF! THAT MUST BE
ANOTHER LIE

I CAN HEAR YOUR INNER
VOICE, YOU IDIOT!!

TECHNICAL DETAILS

ONCE AGAIN THE
REBELS HAVE STOLEN
DARK VADERS' PLAN
AND IMPLEMENTED IT
ON THEIR HELMET. IT
USES THE « FORCE »
OF PRESSURED AIR TO
PUSH THE RAIN
DROPS AWAY FROM
THE RIDER'S FACE

ADVANTAGES

Compared with a raincoat hood

- Protect your face from rain water roundly
- Looks much cooler and fashioner

Compared with eyeshades

- Breath won't congeal on the inside of face cover
- Fresher air in your helmet and easier breath
- No water drop attach to the face cover to block your sight
